BRIEF ABSTRACT OF LETTER.

Requests with refce to G.O.no. 3078-9 med 236-09-2 dt 30.10.11 that a list of Hospl Asstes' charges as now sanctd may be furnished to his office similar to the one given in G.O. no. 94298-9 dt 2.3.04.

NOTES AND ORDERS.

There seems to be an advantage in the total strength of Hospl Asstes being fixed without defining the nos to be allotted to each instn, otherwise an addition to the sanctd strength of Hospl asstes will have to be allowed whenever a new institution (a Local fund dispensary for instance)

Sanctioned; for the Senior Surgeon will naturally say that he cannot spare a hand — even temporarily — for the charge of a new dispensary from any of the Med Hospls, if the no: of Hospl Asstts in the Med Hospls is fixed to be invariably the same at all times.
